

Request for Concurrent Enrollment

All international students on F-1 and J-1 visas are required to enroll full time during Fall and Spring semester. According to USCIS regulations, students can enroll in another SEVIS certified school to comply with the full time enrollment. Students who fail to maintain full course load will be considered out of status, and SEVIS records will be TERMINATED and will lose F-1 status and F-1 student benefits.

If you are registered with full-time units at CSUF (12 units or more), and you wish to take additional units at another school, you do not need to submit this form to the International Student Services office.
